Dear COL Perrin,

It gives me great pleasure to forward the attached letters from Janice R. Lachance, Director, Office of Personnel Management, and Lieutenant General Henry T. Glisson, Director, Defense Logistics Agency. DCMC New York's selection as a Program Finalist for the 1999 President's Quality Award Program is yet another very real tribute to you and your entire contract administration office. DCMC New York is without a doubt a quality organization as evidenced by this being my second congratulatory note to you in as many months. We are extremely proud of your efforts.

Once again, please pass on to the entire DCMC New York community my personal congratulations and thanks for all of their dedicated service and hard work.

Sincerely,

TIMOTHY P. MALISHENKO
Major General, USAF
